

THE MORE  
YOU  
TALK  
ABOUT IT,  
THE WEAKER  
IT GETS

It is necessary to know the cancer, as one in two people will develop it. It is necessary to talk about it without any fear, since it has a high chance of cure when diagnosed early. And it is necessary to take action, because good habits and updated exams save lives!

The entire intellectual content belongs to D'Or Consultoria. Technical Manager: Cláudio L. S. Ferrari - CRM (Regional Medical Council): 60113-SP.
